MACHABA
CLASSIC SAFARI CAMPS
BOTSWANA & ZIMBABWE

Est. 2012

Your adventure begins in a timelessly unspoiled setting with sunset views stretching to distant horizons of the Okavango Delta. Witness the raw, untouched beauty of the open bush, widely acknowledged as the predator capital of the world. The region promises up-close views of unique wildlife and flourishing vegetation. Glide through the maze of channels, islands and opaque lagoons on a traditional mokoro dugout canoe and enjoy the beauty of the Okavango Delta.

Your safari ends in the Hwange National Park which boasts over 100 species of mammals and more than 400 birds (with a supporting cast of innumerable insects, spiders amphibians and reptiles – including the world famous Presidential elephants). The game viewing is superb and the teeming herds of sable, elephant, giraffe, impala, zebra and wildebeest give a hint of the richness of southern Africa's wildlife in bygone days.

Indulge in Warm African Hospitality...

MACHABA CAMP

Machaba Camp strikes the perfect balance between class and comfort, with 10 Luxury Tents nestled in the treeline along the Khwai River and overlooking the gorgeous Moremi Game Reserve. Each tent features an en-suite bathroom, living area, and an intimate and romantic outdoor shower. Explore the magnificent environment on game drives, walking safaris and mokoros (traditional dugout canoe), indulge on some bush pampering in the privacy of your suite or just soak up the sights and sounds of the magnificent African bush.

GOMOTI PLAINS CAMP

Ideally set in a cool sheltered spot beneath a canopy of mature acacia trees, Gomoti Plains Camp is situated on the edge of the Gomoti River system and floodplains in the centre of the Okavango Delta in Botswana. All raised on wooden decks, the tents boast great views of the floodplains beyond. The main area houses the dining area and lounge, a perfect spot to relax between activities. Typically, dining takes place outside – either under the shade or the stars. The delicious meals are a mixture of local cuisine and good old-fashioned home-style cooking.

VERNEY'S CAMP

Situated within the central side of the popular south-eastern part of Hwange National Park, Verney's Camp is a private concession of 10,000 hectares. It is in an extremely remote part of the National Park that is neither frequented, nor can it be accessed by regular Park visitors. Ten tents are tucked under the shady teak trees bordering the open waterhole in front of the camp. Verney's Camp is a beautiful amphitheatre fringed by teak forest that opens up onto an impressive waterhole that is a playground to the famous elephant herds of Hwange.
