A safari combining these areas in Botswana and Zimbabwe provides one with a complete African wilderness experience.

## MACHABA CAMP

The name Machaba is the local Setswana name for the Sycamore Fig Tree, the tree of life. Machaba Camp will appeal to the novice safari guest as well as to the seasoned safari traveler.

The camp is built in the classic 1950's style, with luxury safari tents, en-suite bathrooms and living areas, not forgetting the romantic outdoor showers. All the tents are situated at ground level, and the pathways to the tents meander between the large riverine trees.

*The camp comprises of 2 luxury family safari tents,  
and 8 luxury twin safari tents. The camp welcomes children of all ages,  
and is wheelchair friendly.*

*Activities and experiences at Machaba Camp include thrilling game drives, exploring the waterways by mokoro, and guided safari walks.*

## LITTLE MACHABA

Little Machaba Camp is situated on the same island as Machaba Camp and is run separately to the main camp.

A more intimate camp, with only four spacious safari tents, which are situated on decks and the pathways to the tents meander under large riverine trees with views over the wide plains frequented by herds of elephant, leading to the Khwai River.

*Little Machaba has 2 luxury family safari tents, and 2 luxury twin safari tents. Ideal for romantic travellers, honeymoon couples, or those who prefer a more private safari experience.*

*As all our Okavango camps are based in concessions, guests can experience wildlife closer with guided walking safaris, relaxed mokoro trips and night safari drives discovering the nocturnal side of the Okavango, ensuring your safari adventure is unique.*

## GOMOTI PLAINS CAMP

Gomoti Plains Camp, located in an exclusive concession in the south eastern section of the Okavango Delta, offers the perfect pairing with the Machaba Camps both in affordability, luxury and diverse offering.

*Gomoti Plains Camp comprises of two luxury family tents and eight luxury twin tents, built in our iconic signature Machaba style with décor inspired from the theme of water and land; both essential to life in the Okavango Delta. Gomoti Plains Camp welcomes children of all ages and is also wheelchair friendly, offering an experience for all.*

*Experience exhilarating water activities with incredible wildlife diversity.  
Game viewing in this area, from vehicle, water or on foot is superb.*

## GOMOTI PRIVATE

Gomoti Private is a small exclusive camp attached to Gomoti Plains Camp, offering total exclusivity and privacy for its guests.

*The design of the camp includes a small intimate dining and lounge area with its own private plunge pool. Relax and enjoy the sounds of Africa from around the campfire at night, indulging in one of Africa's primal pleasures.*

*Guests have their own guide and vehicle to explore the wild Gomoti region. Guests are also able to explore the waterways in a motorised boat and on silent Mokoro's, water levels dependant.*

*The camp overlooks the Gomoti flood plain system with a view of 1000 Palm Island. Perfect for those that want to enjoy one of the finest wildlife areas in Africa, in a totally exclusive private camp.*

# VERNEY'S CAMP

Situated on the central side of the popular south eastern part of Hwange National Park, Verney's Camp is a private concession of 10,000 hectares . It is in an extremely remote part of the National Park that is neither frequented, nor can it be accessed by regular Park visitors.

Verney's Camp has been built in keeping with Machaba Safaris' winning recipe that matches the timeless wonder of a classic safari to Africa, aimed at the affordable luxury travel markets worldwide for both the novice and the well seasoned safari traveller.

*Ten tents are tucked perfectly under the shady arms of the teak trees bordering the open waterhole in front of camp. Each tent has been carefully positioned to ensure the best serenity and privacy so that guests can enjoy the natural beauty of the area. Each room is comfortably appointed and has en suite shower, flush toilet, double vanity, all beautifully designed to retain the authenticity and magical feeling of being on safari.*

*Verney's Camp is a beautiful amphitheatre fringed by teak forest that opens up onto an impressive waterhole that is a playground to the famous elephant herds of Hwange. Verney's joined the Machaba Safaris group in 2017 with a totally clean piece of unspoilt wilderness.*

## DETEEMA SPRINGS

Deteema Springs Camp was opened in 2019, after the founders of Machaba Safaris saw an opportunity to create an intimate safari camp, in an incredible wildlife area, on a site which is hard to describe. Guests have the opportunity to travel on foot or in game vehicles to view this amazing area and also to view from the camp, Africa in its wildest form.

# DEKA CAMP

Resting on the top of the low foothills in the far north west of Hwange National Park, is Deka Camp. Probably the remotest camp in Hwange, this area offers guests an opportunity to walk and game drive some of the wildest areas in Southern Africa. The camp is situated in our own private concession in Hwange National Park so allows us the opportunity to do night drives as well. The small camp consists of six units, made of thatch, local rock and canvas. Ideal for taking the whole camp for groups, this unique place will captivate you. Big sky country is what sums up this wild area.
