ABOUT MONACHIRA CAMP

Monachira is named after the Monachira channel which flows past the island on which the camp is situated. The camp is raised on wooden decks to give one a view of the floodplains and wetlands which stretch out in front of camp.

Monachira offers water activities, island nature walks and wildlife drives. Based in the Moremi Game Reserve, these activities will take you to some of the more remote areas in the delta. A motorboat ride promises to enthral you and captivate you, with the chance of seeing iconic wildlife from the river. Glide on quiet mokoro's through the water lilies and view wildlife from below as you sail along at water level height.

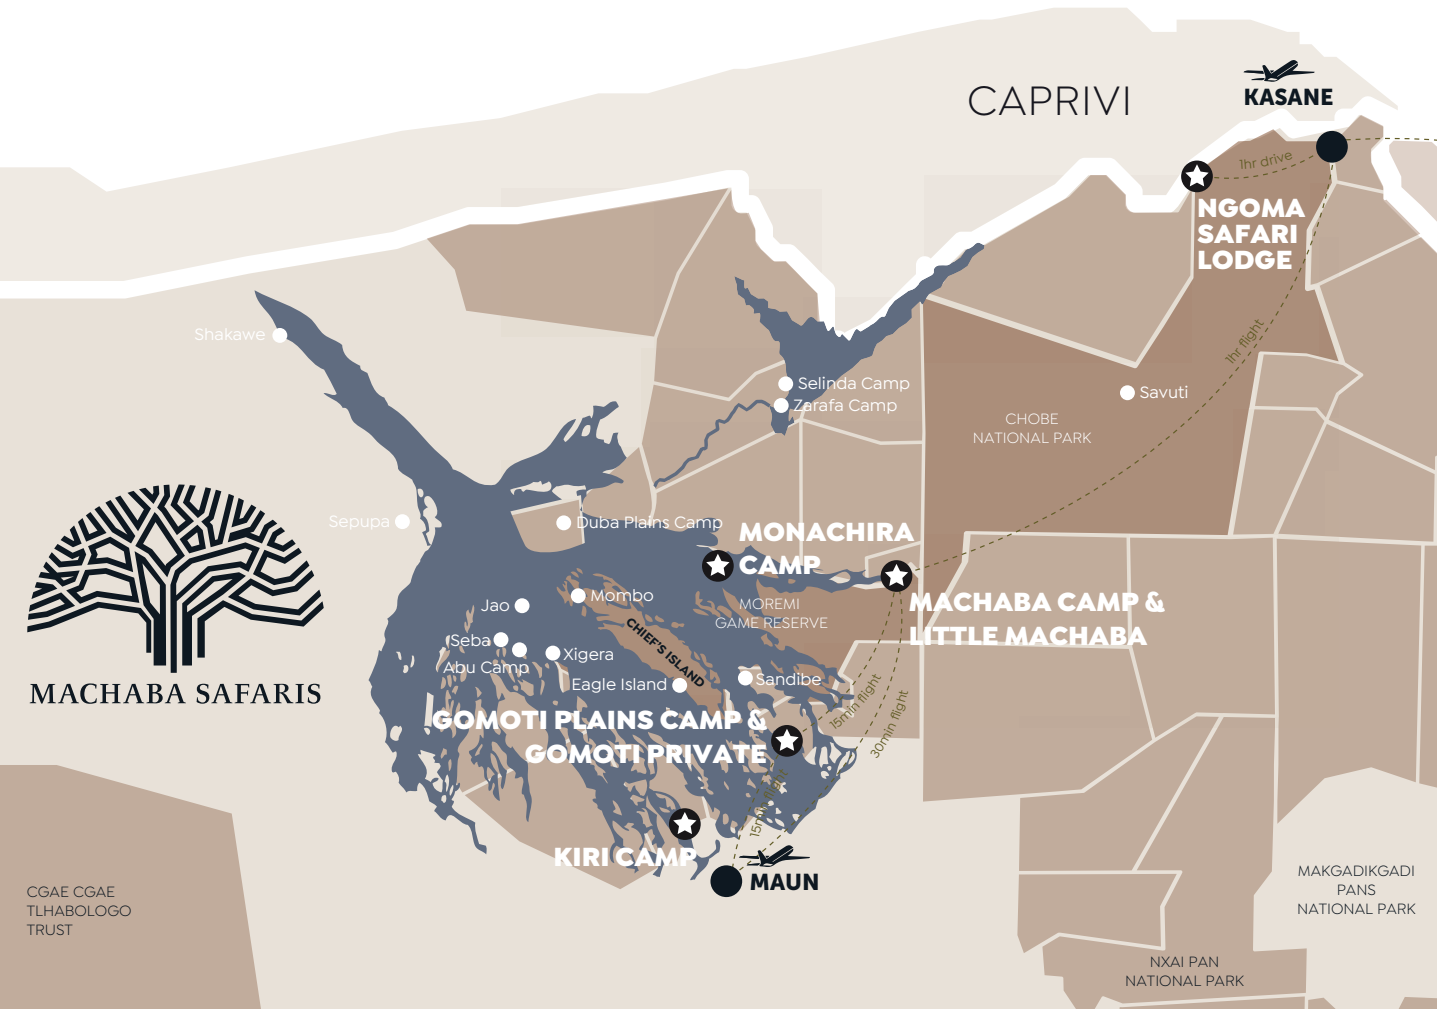

The camp is situated on the edge of the Monachira channel not far from the famous Gudigwa heronries, offering great viewing of this amazing nesting ground of thousands of herons, egrets and storks. A chance to see elephants, lions, leopard and a wide variety of Okavango species on the islands and floodplains along the permanent channels of the Monachira river. Also a chance to see the elusive Pels Fishing Owl and rare sitatunga, a semi aquatic swamp antelope.

WHERE IS MONACHIRA CAMP LOCATED?

Monachira Camp is situated on the edge of the Monachira channel in the Northeastern region of Okavango Delta, in the Moremi Game Reserve.

WHAT TO PACK?

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.

YEAR ROUND

- Layers – the best way to dress on safari, due to fluctuating temperatures. We recommend cotton. Long sleeves and trousers will protect from both sun and insects.
- Fleece/warm sweater or warm jacket for morning and evening game drives.
- Hat – broad brimmed for protection against the sun.
- Sunglasses – dark and/or polarized to cut the glare.
- Light cotton shirts and T-shirts; Blouses or shirts.
- Shorts, trousers and chinos.
- Shoes – good, comfortable sturdy closed shoes/ boots and socks for walking.
- Flip flops/thongs for use in outdoor showers.
- Sunblock, insect repellent and lip balm.
- Binoculars – each person should have their own so as not to miss out on any sightings.
- Camera with spare batteries, memory sticks, and the correct charging apparatus.

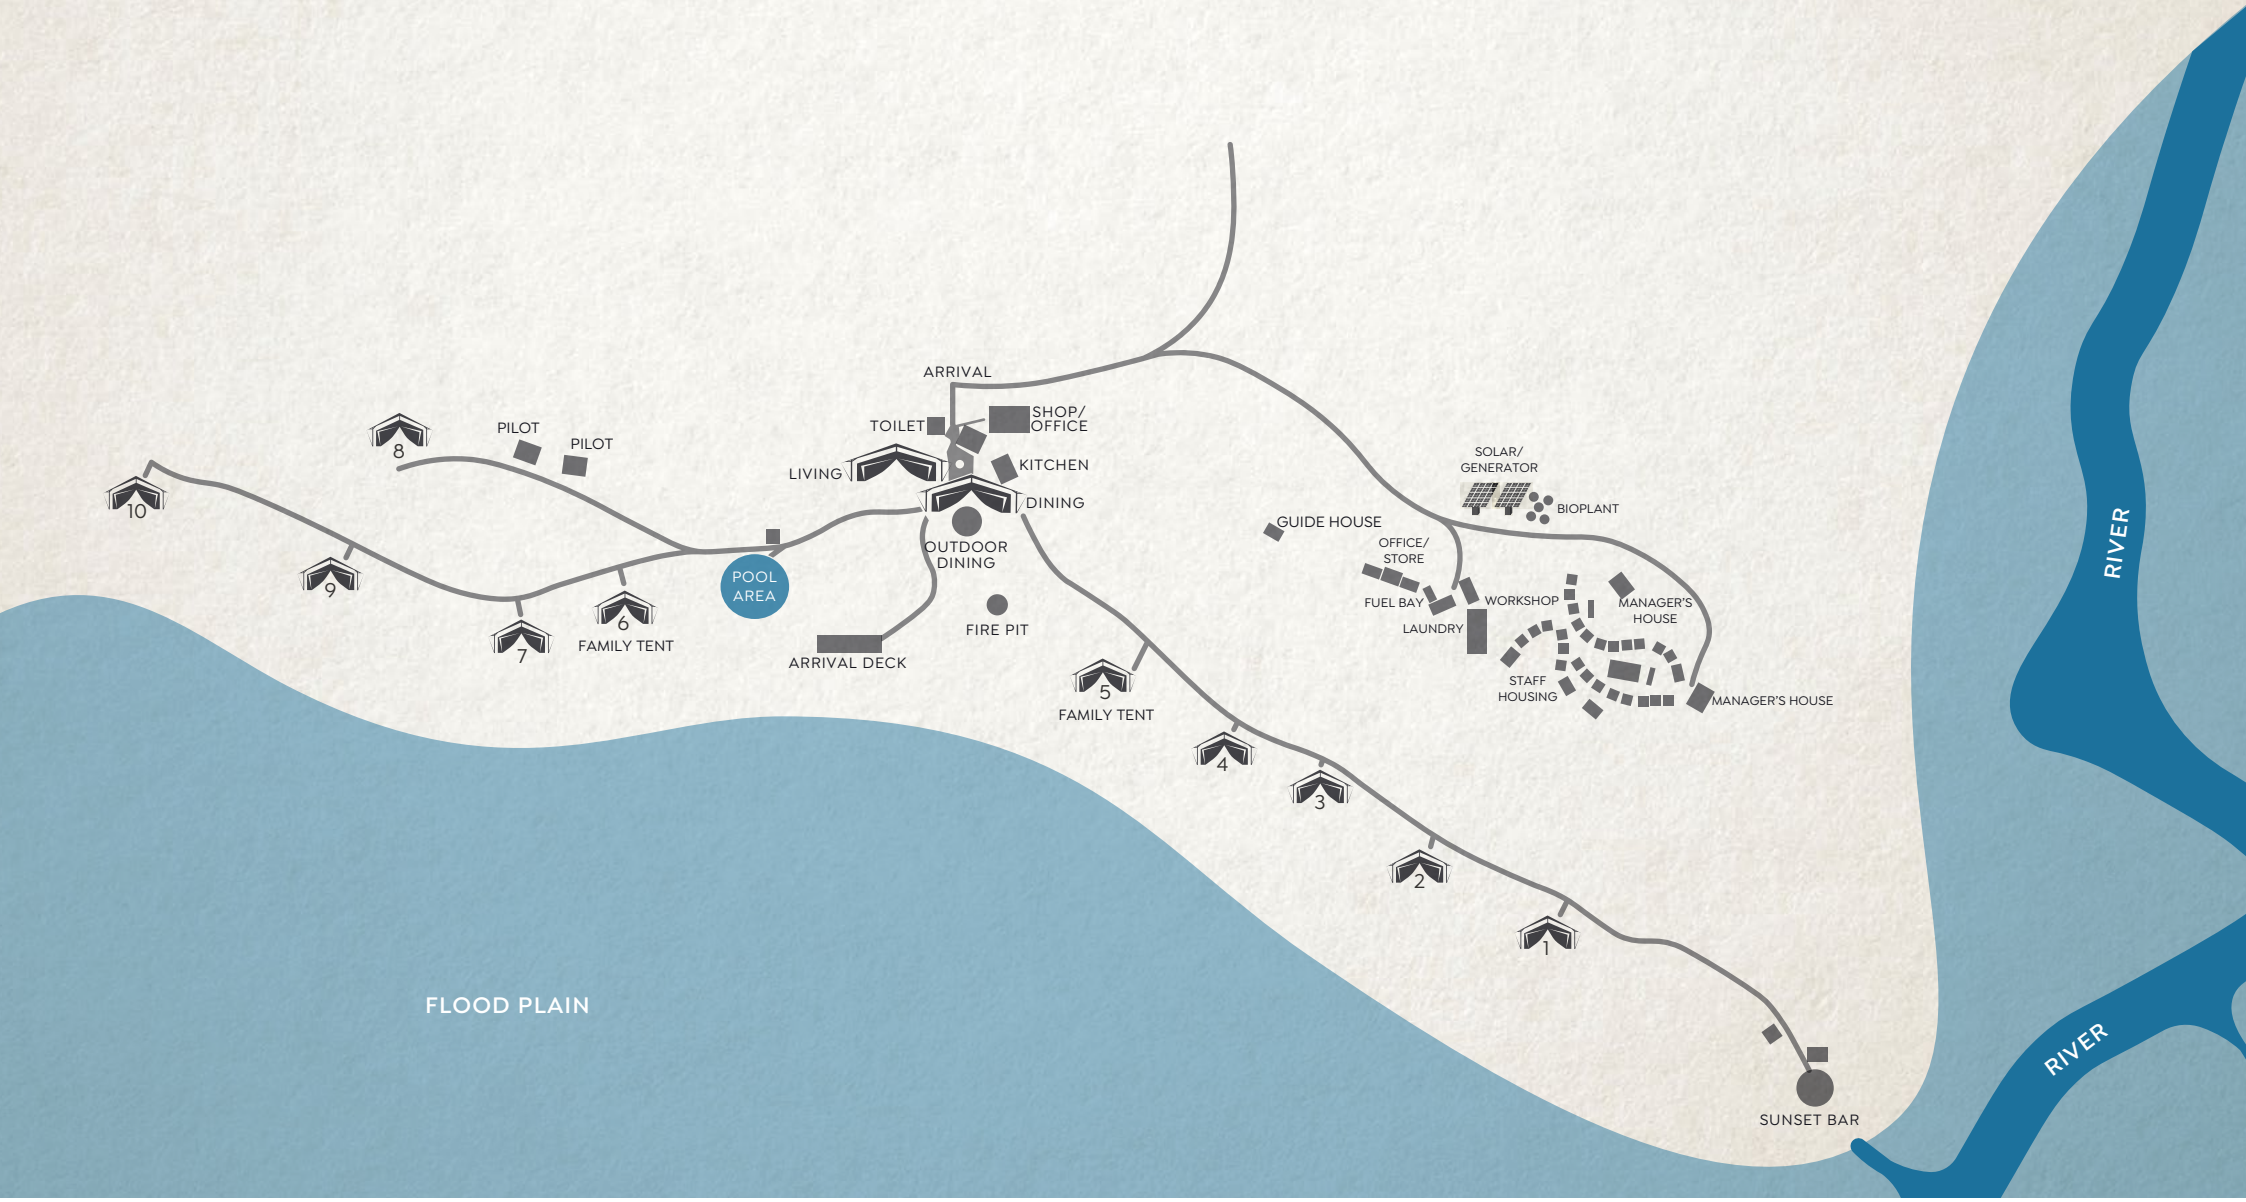

SUMMER

- A kikoi or light sarong has a multitude of uses.
- Light, compact jacket (windbreaker) for the rainy season.
- Swimwear

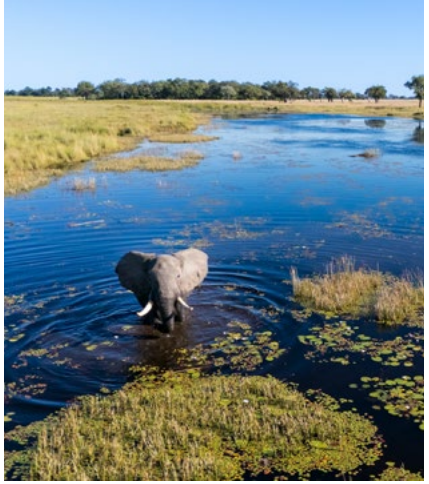

WINTER

- It gets very cold in the evenings and early mornings, and quite hot during the day – so layers are essential.
- Warm leggings and thick socks – good to wear during cold weather.
- Hat – woollen beanie for warmth.
- Gloves & Scarf
