NOTE ON LIBREVILLE ROAD TRANSFERS

- Due to logistical constraints with peak hour traffic in Libreville and anticipated travel delays to/from hotels not listed above, we strongly advise against booking alternative properties.
- Should you wish to book pre or post nights at any properties not listed above, please contact us for advice as to how this may impact travel times for airport transfers and any relevant surcharges.

SOUNGHA TRAIL TRANSFER

- Guests combining Sette Cama Eco Camp with other properties in Loango NP should be prepared for a full day hike carrying their own day packs across 17 kms of uneven terrain.
- Porterage is required for this route, and luggage MUST be packed in soft bags with straps suitable to carry as a backpack. Inability to meet this requirement may result in refusal of porterage, or an additional charge to rent a suitable bag.

VISA PROCESSING FEE (MANDATORY)

- Guests visiting Sette Cama Eco Camp within 72 hours of their arrival in Gabon are required to have their visas processed manually by our agent in Libreville.
- This policy is the result of an unreliable e-visa system, together with the high cost in time and money of being refused boarding for LBV and missing the onward weekly scheduled flight to Gamba.
- If arriving overland ex the Sounga Trail, or another safari area in Gabon, this requirement may fall away. This charge will be automatically added to quotes and invoices unless we are advised of pre-arrangements.
