ABOUT VERNEY'S CAMP

Verney's Camp is based in a private concession in the heart of Hwange National Park in Zimbabwe. The Camp is located at Verney's Pan, which is situated on a large open floodplain surrounded by teak forest typical of Hwange National Park. The waterhole at Verney's plays host to numerous animals and is a playground for the famous elephant herds of Hwange. Verney's Camp is part of the Machaba Safaris group and is built in keeping with Machaba Safaris' winning recipe that matches the timeless wonder of a classic safari to Africa. It is aimed at the affordable luxury travel market worldwide for both the novice and the well-seasoned safari traveller.

Ten tents are tucked away perfectly under the shady arms of the teak trees bordering the open waterhole in front of camp.

Each tent has been carefully positioned to ensure the best serenity and privacy so that guests can enjoy the natural beauty of the area. Each room is comfortably appointed and has en suite shower, flush toilet, and double vanity which are all beautifully designed to retain the authenticity and magical feeling of being on safari. Verney's Camp has eight double/twin rooms and two family rooms, all of which are on wooden decks, and are connected by natural pathways on the ground.

WHERE IS VERNEY'S CAMP LOCATED?

Situated on the central side of the south eastern part of Hwange National Park, Verney's Camp is a private concession of 10 000 hectares (24,710 acres). It is situated in a remote part of the National Park that is not accessed by regular park visitors. However, the camp does have access to the public areas of the National Park.

WHAT TO PACK?

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.

YEAR ROUND

- Layers – the best way to dress on safari, due to fluctuating temperatures. We recommend cotton. Long sleeves and trousers will protect from both sun and insects.
- Fleece/warm sweater or warm jacket for morning and evening game drives
- Hat – broad brimmed for protection against the sun.
- Sunglasses – dark ones to cut the glare.
- Light cotton shirts and T-shirts; Blouses or shirts
- Shorts, trousers and chinos
- Shoes – good, comfortable sturdy closed shoes/ boots and socks for walking.
- Flip flops/thongs for use in outdoor showers.
- Sunblock, insect repellent and lip salve.
- Binoculars – each person should have their own so as not to miss out on any sightings.
- Camera with spare batteries, memory sticks, film, and the correct charging apparatus.

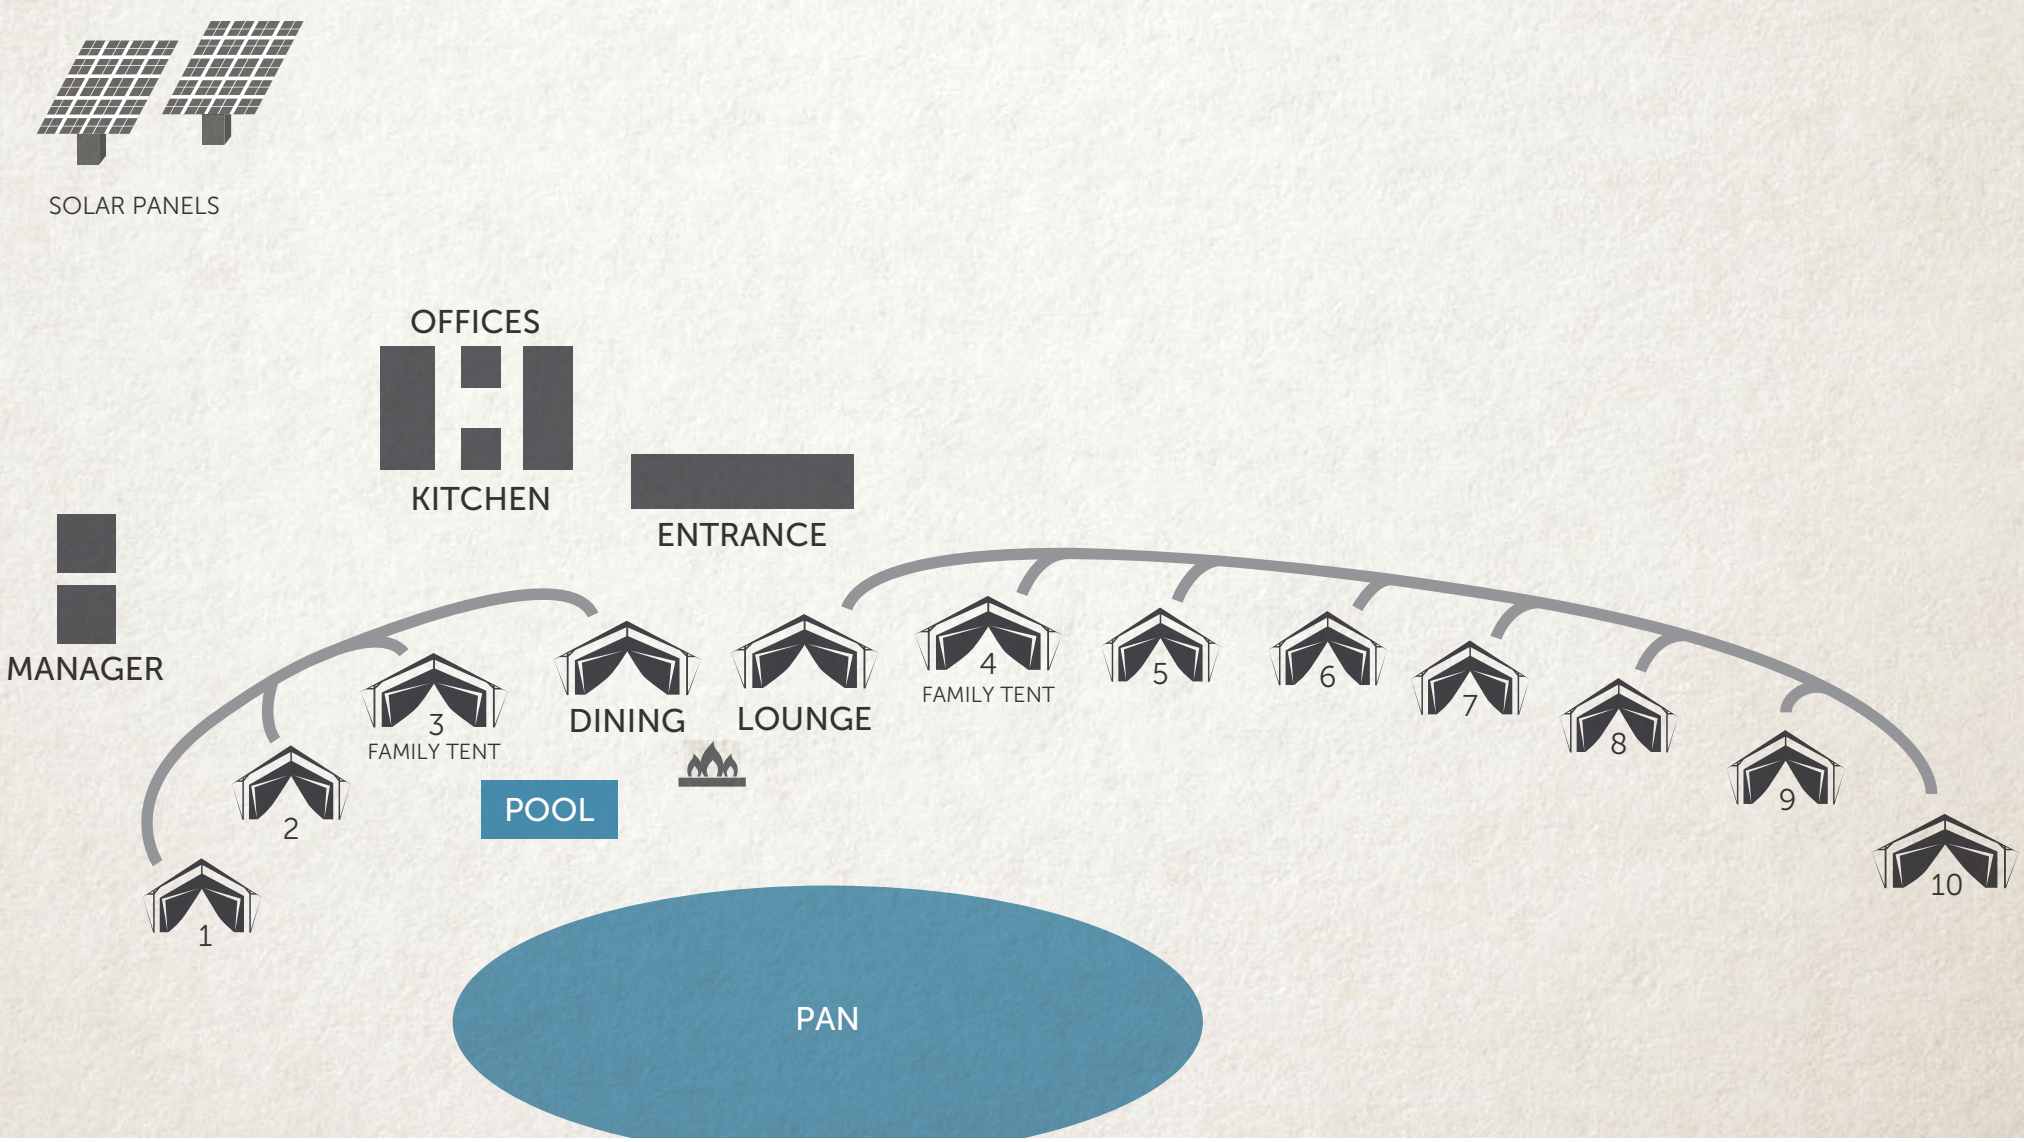

SUMMER

- A kikoi or light sarong has a multitude of uses.
- Light, compact jacket (windcheater) for the rainy season.
- Swimwear

WINTER

- It gets very cold in the evenings and early mornings, and quite hot during the day – so layers are essential.
- Warm leggings and thick socks – good to wear during cold weather.
- Hat – woollen beanie for warmth.
- Gloves & Scarf
