ABOUT LITTLE MACHABA

The name Machaba is the local Setswana name for the Sycamore Fig Tree, the tree of life. Little Machaba is independently owned and run, and is aimed at the affordable luxury travel markets across the world, offering great value for money and an unique classical safari experience.

Little Machaba will appeal to the novice safari guest as well as to the seasoned safari traveller. Little Machaba Camp is an exclusive 8 bed luxury safari camp.

The camp is built in the classic 1950's style, with luxury safari tents, en-suite bathrooms and living areas, not forgetting the romantic outdoor showers and baths.

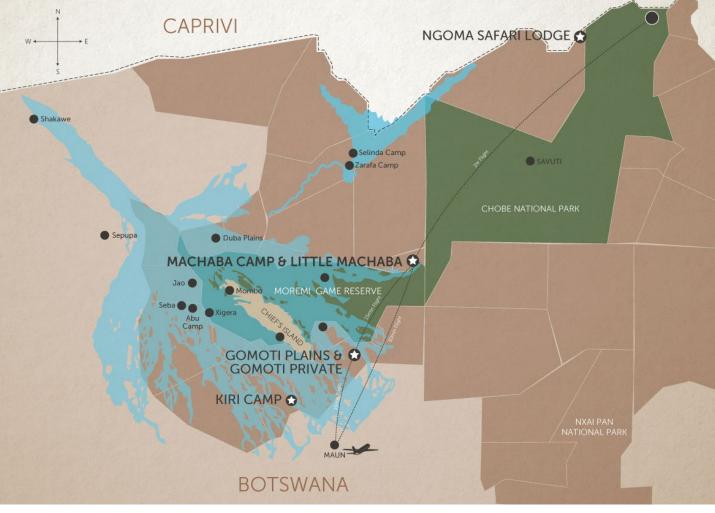

All the tents are situated on decks and the pathways to the tents meander between the large riverine trees. The Main dining and bar area are also on wooden decks overlooking a large flood plain.

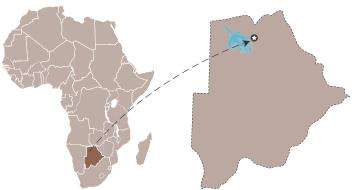

WHERE IS LITTLE MACHABA LOCATED?

Little Machaba is situated in the game rich Khwai area. The Khwai Concession is a 35 000 hectare reserve situated in the north eastern Okavango adjacent to the Moremi Game Reserve. Little Machaba is situated on the same island as Machaba Main Camp, but is run separately from Machaba Main Camp.

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.
