	Photographic
	Arm Chair Safari

## ABOUT LITTLE MACHABA

The name Machaba is the local Setswana name for the Sycamore Fig Tree, the tree of life. Little Machaba is independently owned and run, and is aimed at the affordable luxury travel markets across the world, offering great value for money and an unique classical safari experience.

Little Machaba will appeal to the novice safari guest as well as to the seasoned safari traveller. Little Machaba Camp is an exclusive 8 bed luxury safari camp.

The camp is built in the classic 1950's style, with luxury safari tents, en-suite bathrooms and living areas, not forgetting the romantic outdoor showers and baths.

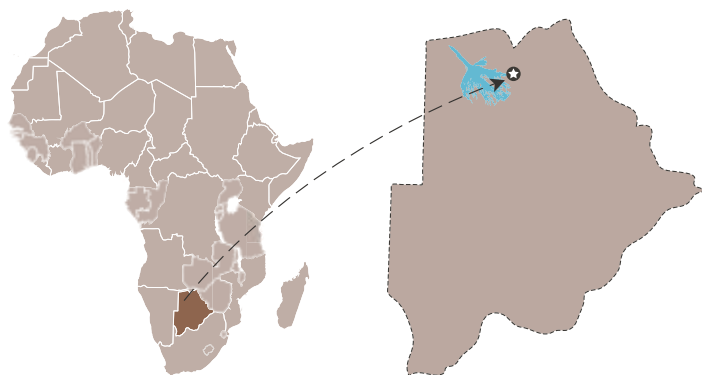

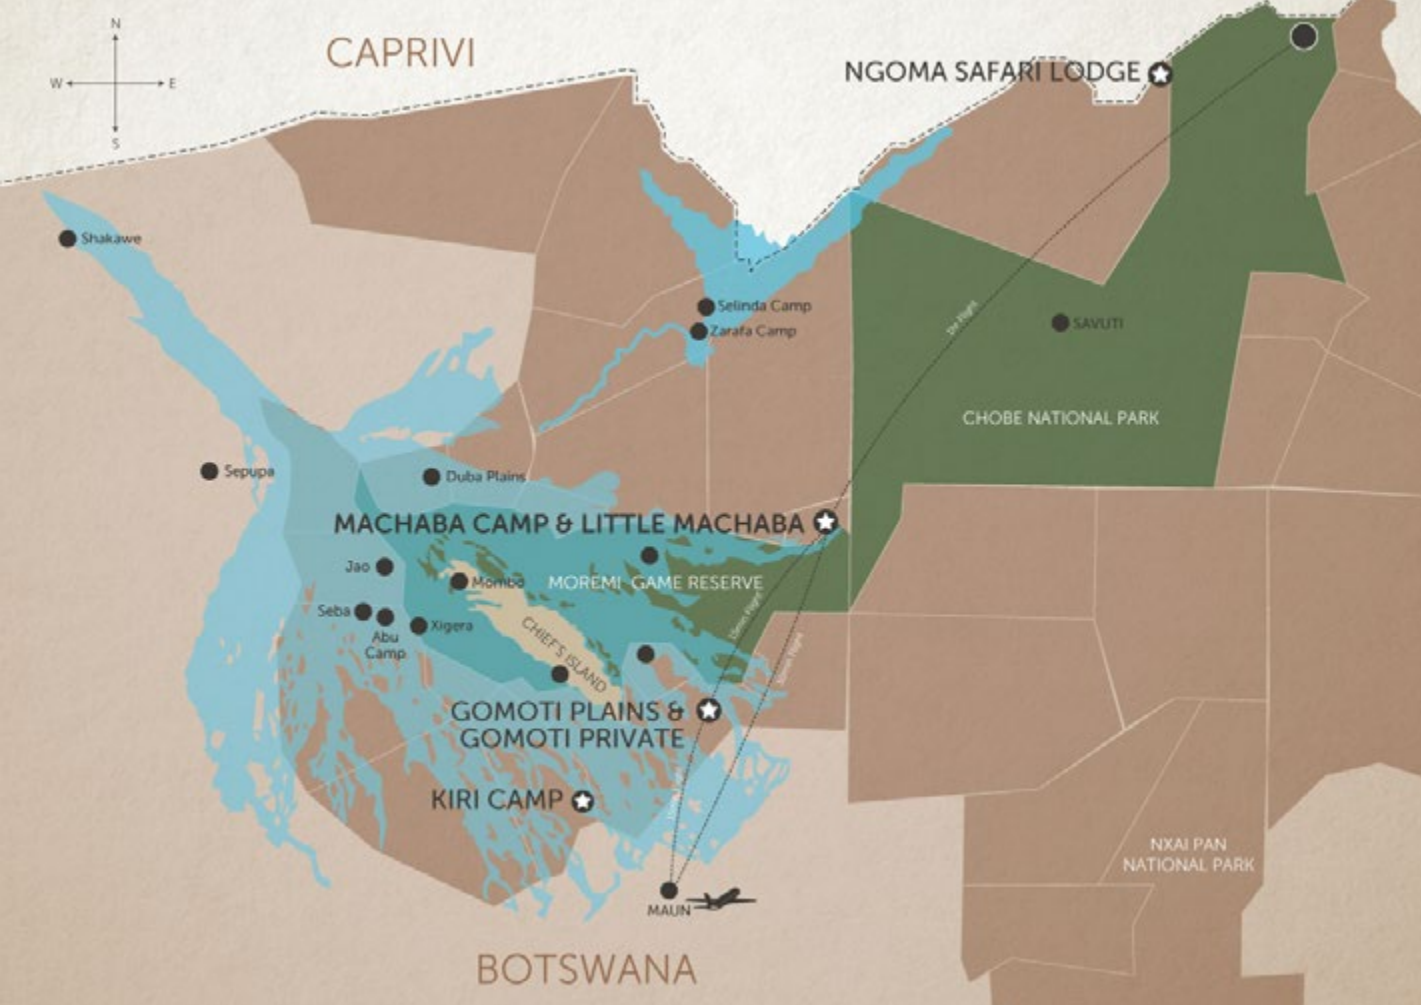

All the tents are situated on decks and the pathways to the tents meander between the large riverine trees. The Main dining and bar area are also on wooden decks overlooking a large flood plain.

### WHERE IS LITTLE MACHABA LOCATED?

Little Machaba is situated in the game rich Khwai area. The Khwai Concession is a 35 000 hectare reserve situated in the north eastern Okavango adjacent to the Moremi Game Reserve. Little Machaba is situated on the same island as Machaba Main Camp, but is run separately from Machaba Main Camp.

### WHAT TO PACK?

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.

### YEAR ROUND

- Layers – the best way to dress on safari, due to fluctuating temperatures. We recommend cotton. Long sleeves and trousers will protect from both sun and insects.
- Fleece/warm sweater or warm jacket for morning and evening game drives
- Hat – broad brimmed for protection against the sun.
- Sunglasses – dark ones to cut the glare.
- Light cotton shirts and T-shirts; Blouses or shirts
- Shorts, trousers and chinos
- Shoes – good, comfortable sturdy closed shoes/boots and socks for walking.
- Flip flops/thongs for use in outdoor showers.
- Sunblock, insect repellent and lip salve.
- Binoculars – each person should have their own so as not to miss out on any sightings.
- Camera with spare batteries, memory sticks, film, and the correct charging apparatus.

### SUMMER

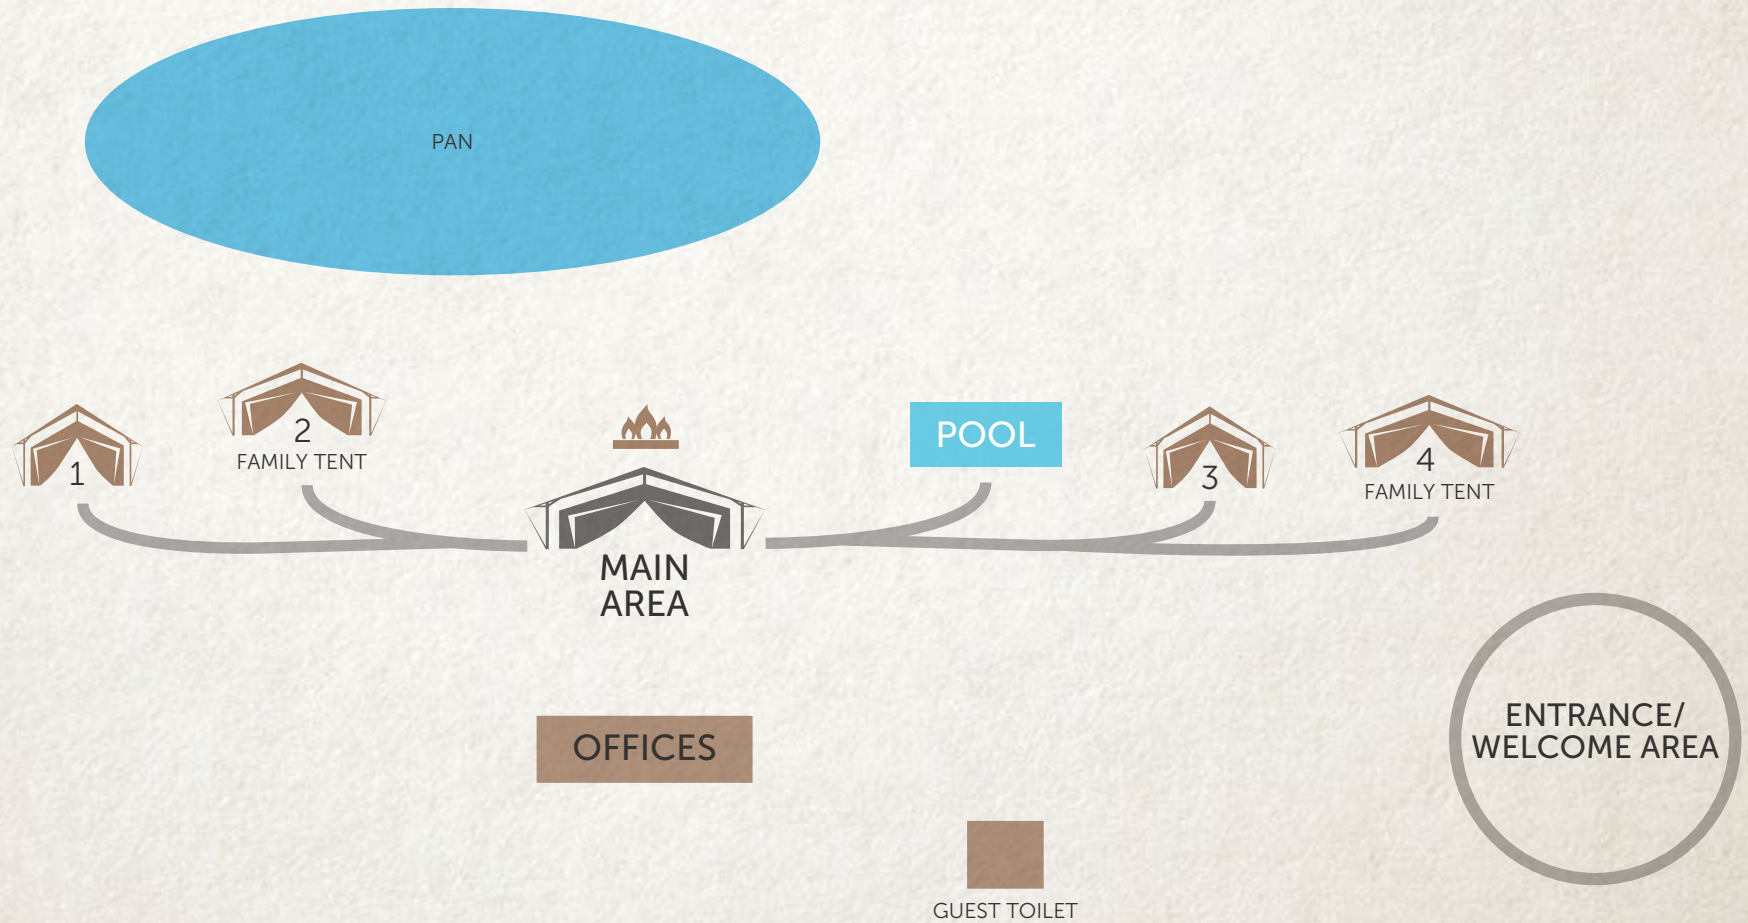

- A kikoi or light sarong has a multitude of uses.
- Light, compact jacket (windcheater) for the rainy season.
- Swimwear

### WINTER

- It gets very cold in the evenings and early mornings, and quite hot during the day – so layers are essential.
- Warm leggings and thick socks – good to wear during cold weather.
- Hat – woollen beanie for warmth.
- Gloves & Scarf
