ABOUT GOMOTI PRIVATE CAMP

Gomoti Private is a small exclusive camp attached to Gomoti Plains Camp, offering total exclusivity and privacy for its guests.

The design of the camp includes a small intimate dining and lounge area with its own private plunge pool.

Relax and enjoy the sounds of Africa from around the campfire at night, indulging in one of Africa's primal pleasures.

Guests have their own guide and vehicle to explore the wild Gomoti region.

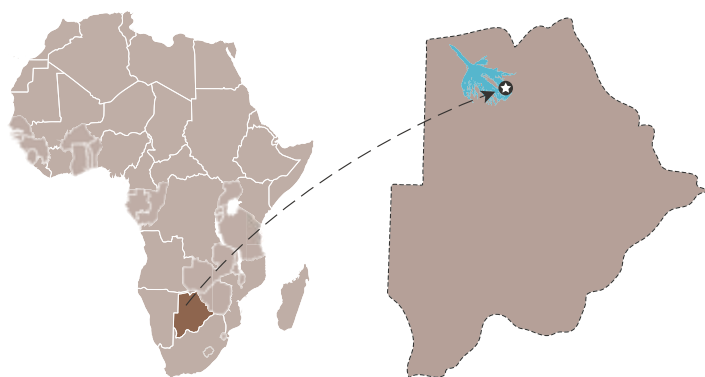

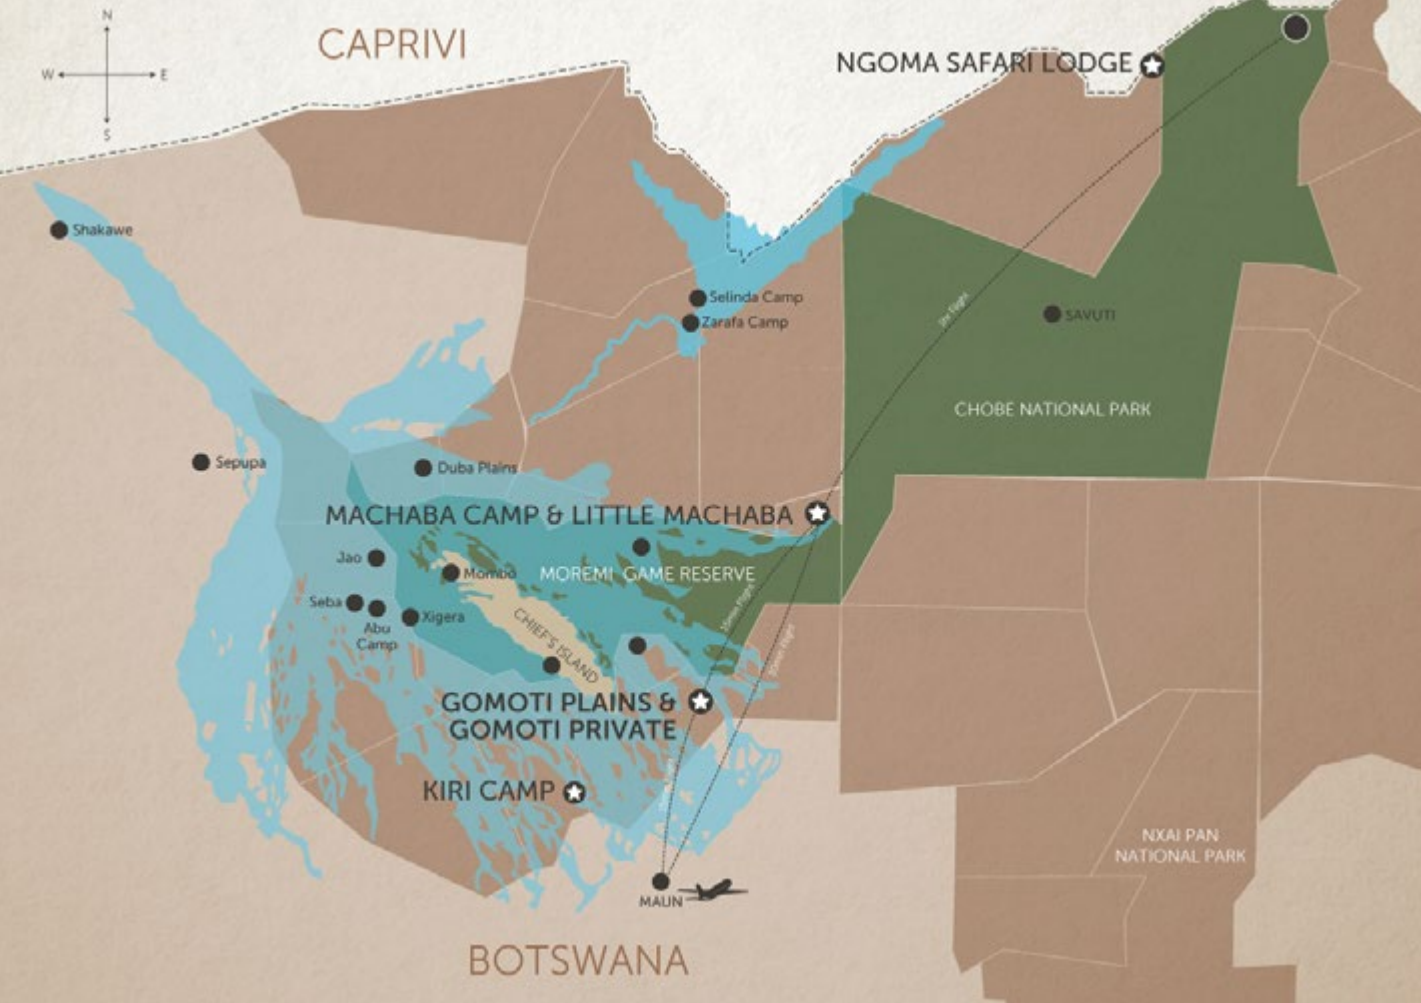

Guests are also able to explore the waterways in a motorised boat and on silent Mokoro's, water levels dependant.

The camp overlooks the Gomoti flood plain system with a view of 1000 Palm Island. Perfect for those that want to enjoy one of the finest wildlife areas in Africa, in a totally exclusive private camp.

The Gomoti concession spans over 100 000 hectares of wild private Okavango and offers guests a chance to see, up close, the mega fauna the Okavango is famous for.

WHERE IS GOMOTI PRIVATE CAMP LOCATED?

Gomoti Private is located just 18 km south-east of Chitabe Camp in the exclusive community area of NG32 which is a large community run concession, in the Okavango Delta. The Camp is situated next door to Gomoti Plains Camp.

WHAT TO PACK?

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.

YEAR ROUND

- Layers – the best way to dress on safari, due to fluctuating temperatures. We recommend cotton. Long sleeves and trousers will protect from both sun and insects.
- Fleece/warm sweater or warm jacket for morning and evening game drives
- Hat – broad brimmed for protection against the sun.
- Sunglasses – dark ones to cut the glare.
- Light cotton shirts and T-shirts; Blouses or shirts
- Shorts, trousers and chinos
- Shoes – good, comfortable sturdy closed shoes/boots and socks for walking.
- Flip flops/thongs for use in outdoor showers.
- Sunblock, insect repellent and lip salve.
- Binoculars – each person should have their own so as not to miss out on any sightings.
- Camera with spare batteries, memory sticks, film, and the correct charging apparatus.

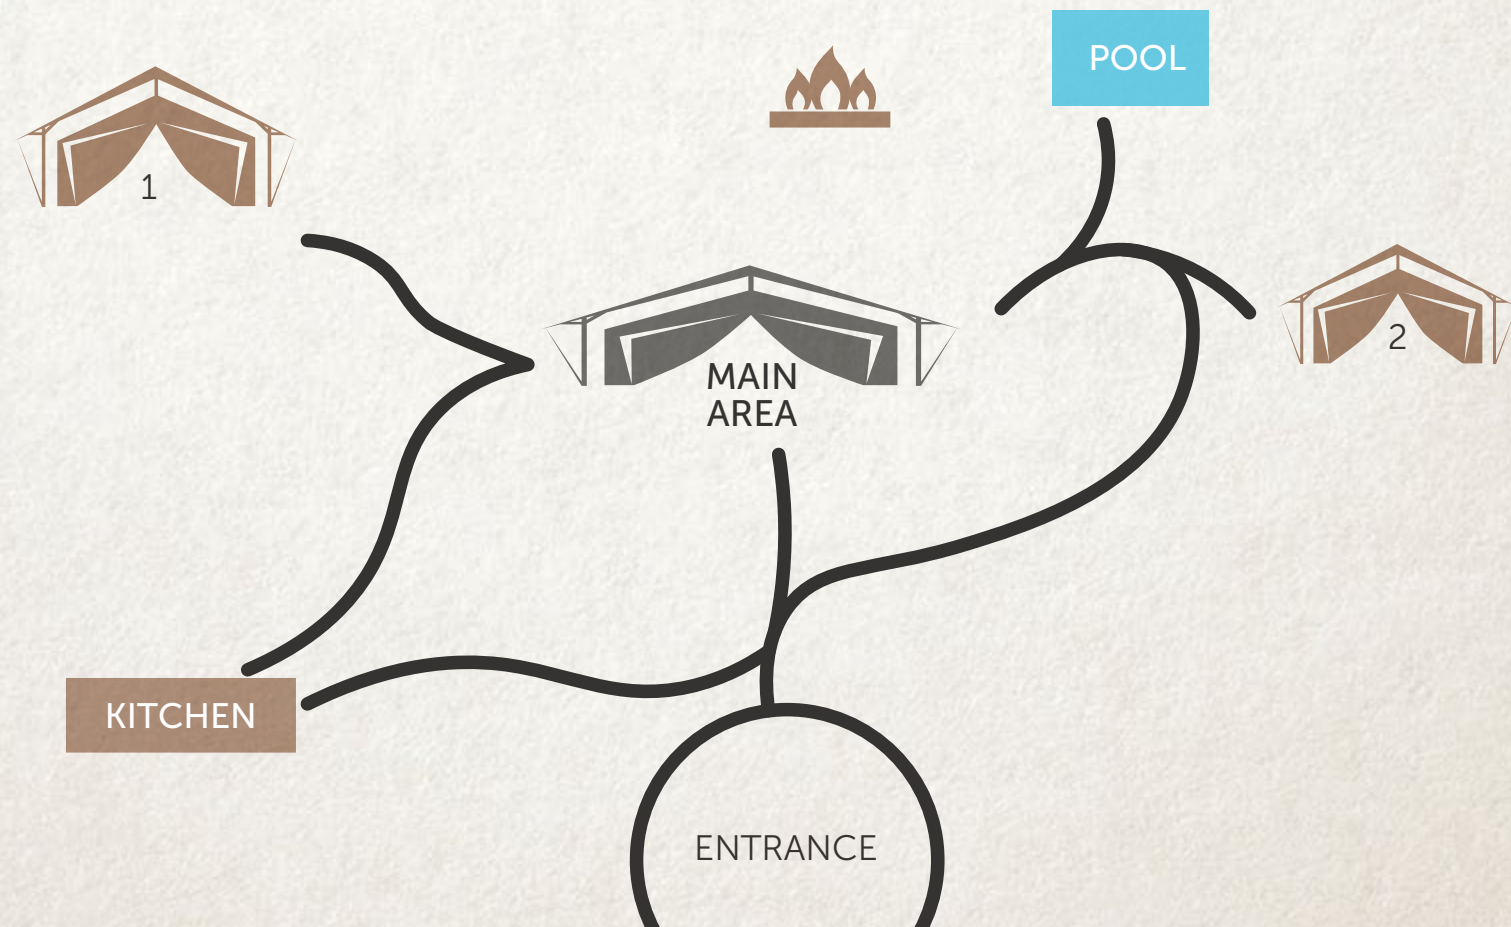

SUMMER

- A kikoi or light sarong has a multitude of uses.
- Light, compact jacket (windcheater) for the rainy season.
- Swimwear

WINTER

- It gets very cold in the evenings and early mornings, and quite hot during the day – so layers are essential.
- Warm leggings and thick socks – good to wear during cold weather.
- Hat – woollen beanie for warmth.
- Gloves & Scarf
