Machaba Safaris will open the new luxury tented Monachira Camp in the northeast region of the Okavango Delta's Moremi Game Reserve in May 2025.

Located on the banks of the Monachira Channel, the new camp will consist of eight luxury double tents and two two-bedroom family tents.

### Half day Gauteng easy e-Bike with wild game

A combination of water- and land-based activities will be on offer, including boat and mokoro trips, fishing (on request), island nature walks and limited game drives, along with in-room spa treatments.

Facilities at the camp will include a swimming pool, a sunset bar, an outdoor dining area, a boma/firepit, a curio shop and a lounge area. The camp will also be equipped with free WiFi.

Children of all ages are welcome, however the island nature walks will have a minimum age requirement of 16 years.

Monachira Camp is only accessible by helicopter from either Kasane or Maun, the nearest international airports serving as gateways.

Founded in 2012, Machaba Safaris operates three camps in the Okavango Delta and Ngoma Safari Lodge in Chobe National Park, along with two camps in Zimbabwe's Hwange National Park.
