ABOUT GOMOTI PLAINS CAMP

Gomoti Plains Camp is named after the Gomoti River situated nearby with roaming flood plains based on either side of the camp strewn with towering palm trees, built with our iconic signature Machaba style tents, and decorations taking in the local theme of water and land, both essential to life in the Okavango Delta, offering our guests a unique safari experience incorporating the natural surrounding habitat.

Gomoti Plains Camp offers the perfect pairing with both Machaba Camps both in affordability, luxury and diverse offering.

Gomoti Plains Camp offers extensive water activities with incredible wildlife diversity. The wildlife viewing in the area, both from vehicle or water is superb.

Guests can look forward to Mokoro trips, motor boats (water dependant) and game viewing by vehicle and on foot.

Being in a private concession, guests can also look forward to night drives and off road viewing.

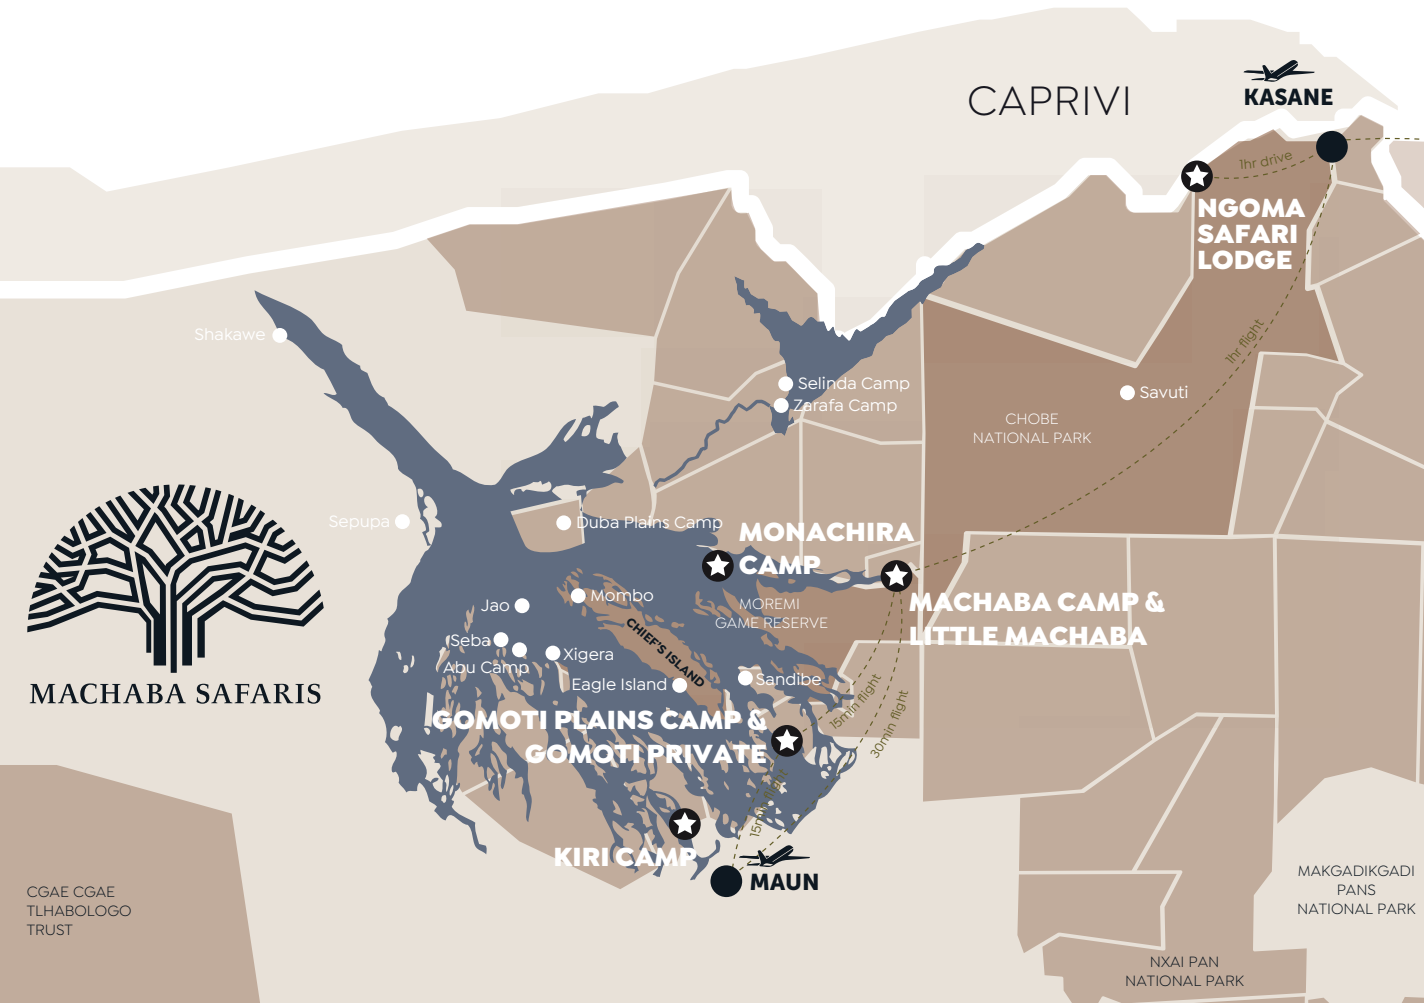

Some of the more interesting finds in this new unique area include wild dog dens, large prides of lions, big herds of buffalo, recent sightings of leopard and cheetah and plentiful other wildlife throughout the area.

WHAT TO PACK?

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.

YEAR ROUND

- Layers – the best way to dress on safari, due to fluctuating temperatures. We recommend cotton. Long sleeves and trousers will protect from both sun and insects.
- Fleece/warm sweater or warm jacket for morning and evening game drives
- Hat – broad brimmed for protection against the sun.
- Sunglasses – dark ones to cut the glare.
- Light cotton shirts and T-shirts; Blouses or shirts
- Shorts, trousers and chinos
- Shoes – good, comfortable sturdy closed shoes/boots and socks for walking.
- Flip flops/thongs for use in outdoor showers.
- Sunblock, insect repellent and lip salve.
- Binoculars – each person should have their own so as not to miss out on any sightings.
- Camera with spare batteries, memory sticks, film, and the correct charging apparatus.

SUMMER

- A kikoi or light sarong has a multitude of uses.
- Light, compact jacket (windcheater) for the rainy season.
- Swimwear

WINTER

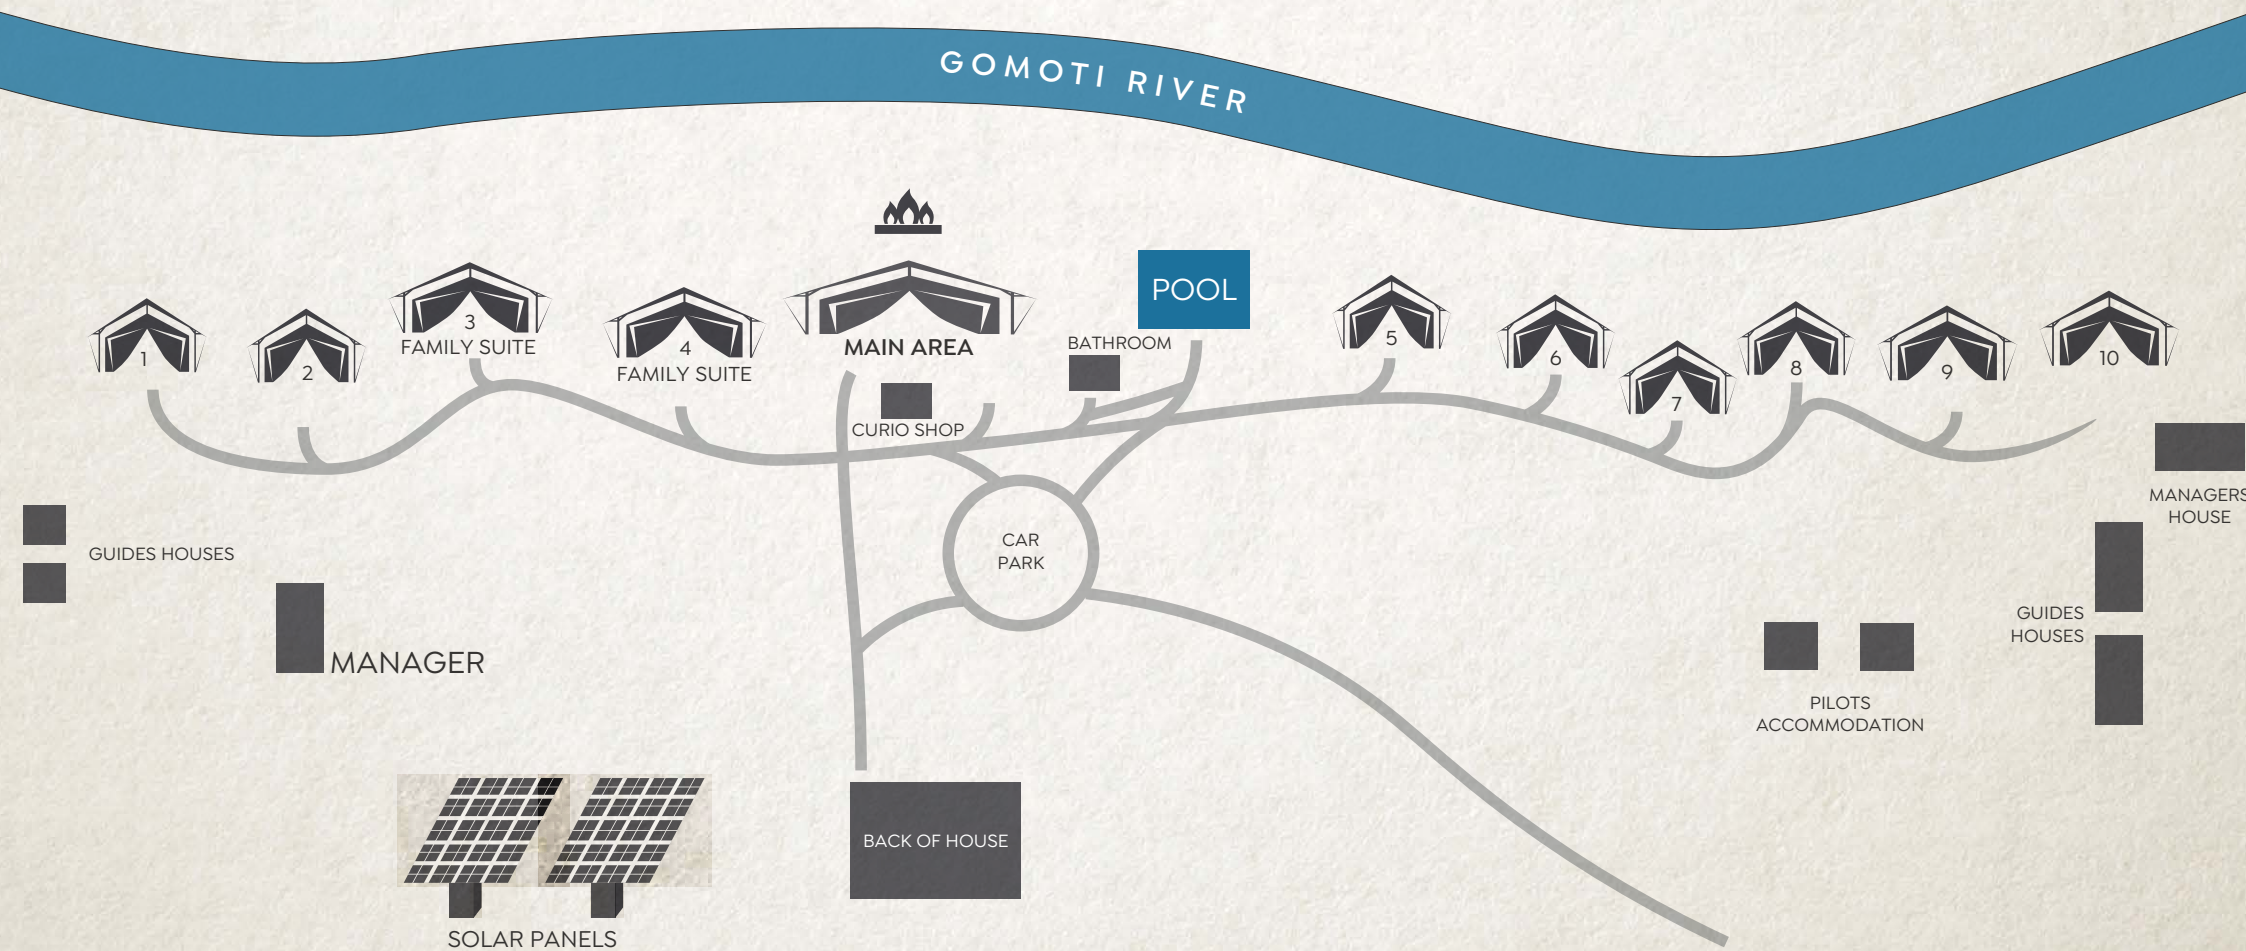

- It gets very cold in the evenings and early mornings, and quite hot during the day – so layers are essential.
- Warm leggings and thick socks – good to wear during cold weather.
- Hat – woollen beanie for warmth.
- Gloves & Scarf
