ABOUT MACHABA CAMP

The name Machaba is the local Setswana name for the Sycamore Fig Tree, the tree of life. Machaba Camp is independently owned and run, and is aimed at the affordable luxury travel markets across the world, offering great value for money and a unique classical safari experience. Machaba Camp will appeal to the novice safari guest as well as to the seasoned safari traveller.

The camp is built in the classic 1950's style, with luxury safari tents, en suite bathrooms and living areas, not forgetting the romantic outdoor showers. All the tents are situated on ground level and the pathways to the tents meander between the large riverine trees.

WHAT TO PACK?

Clothing on safari should be comfortable and colours should blend in with nature as much as possible. Beige, greens, browns, tan and khaki coloured clothing is advisable. Evening dress is 'smart casual', no formal wear required.

YEAR ROUND

- Layers the best way to dress on safari, due to fluctuating temperatures. We recommend cotton.
 Long sleeves and trousers will protect from both sun and insects.
- Fleece/warm sweater or warm jacket for morning and evening game drives
- Hat broad brimmed for protection against the sun.
- Sunglasses dark ones to cut the glare.
- Light cotton shirts and T-shirts; Blouses or shirts
- Shorts, trousers and chinos
- Shoes good, comfortable sturdy closed shoes/ boots and socks for walking.
- Flip flops/thongs for use in outdoor showers.
- Sunblock, insect repellent and lip salve.
- Binoculars each person should have their own so as not to miss out on any sightings.
- Camera with spare batteries, memory sticks, film, and the correct charging apparatus.

SUMMER

- A kikoi or light sarong has a multitude of uses.
- Light, compact jacket (windcheater) for the rainy season.
- Swimwear

- It gets very cold in the evenings and early mornings, and quite hot during the day so layers are essential.
