Witness the raw, untouched beauty of the open bush, widely acknowledged as the predator capital of the world. The region promises up-close views of unique wildlife and flourishing vegetation.

Encounter grazing herds of antelope, as well as elephants that tower over islands fringed with palms. Watch in awe as these majestic beasts submerge neck-deep, swimming through a network of reeds inhabited by tiny frogs of all colours, all under the watchful eye of the elegant African fish eagle. Glide through the maze of channels, islands and opaque lagoons on a traditional mokoro dugout canoe and enjoy the seasonal beauty of the Okavango Delta.

Experience Classic Okavango...

MACHABA CAMP

Machaba Camp strikes the perfect balance between class and comfort, with 10 Luxury Tents nestled in the treeline along the Khwai River and overlooking the gorgeous Moremi Game Reserve. Each tent features an en-suite bathroom, living area, and an intimate and romantic outdoor shower. Explore the magnificent environment on game drives, walking safaris and mokoros (traditional dugout canoe), indulge on some bush pampering in the privacy of your suite or just soak up the sights and sounds of the magnificent African bush.

GOMOTI PLAINS CAMP

Ideally set in a cool sheltered spot beneath a canopy of mature acacia trees, Gomoti Plains Camp is situated on the edge of the Gomoti River system and floodplains in the centre of the Okavango Delta in Botswana. All raised on wooden decks, the tents boast great views of the floodplains beyond. The main area houses the dining area and lounge, a perfect spot to relax between activities. Typically, dining takes place outside – either under the shade or the stars. The delicious meals are a mixture of local cuisine and good old-fashioned home-style cooking.
